InnoVEX Pitch Winning Team  
Provide IoT platform service

“

InnoVEX is a great event for startup. While being its first time around, InnoVEX has met international standards. The host has successfully create an exciting atmosphere among the crowd, thus made pitch much more blissful to enjoy. Vendors and funds would rush to our booth after pitch contest; we got a lot of exposure during the event.

”

# Efficient Matchmakings

Toii, based in NYC who designs and produces virtual tokens and toys integrated with augmented reality (AR), near field communication (NFC), digital gaming, and gamification

“

**It's been very positive for us to join InnoVEX. We've made a lot of potential partners here because InnoVEX is part of COMPUTEX, so there are many high-tech companies looking for strategic partners. We've spoken with a lot of companies who, while they have a lot of money and technology, need a flexible team like ours. I believe we're the right fit and will have follow-up meetings. InnoVEX is a great opportunity for all startups.**

## VC - Hardware Club

Jerry Yang

6月3日 · 台北市 · 🌐

想鼓勵一下Innovex的團隊們。事實上從去年開始楊櫻姿就斷斷續續在跟我討論Computex這間老店應該如何轉型，一路看他們虛心努力但免不了跌跌撞撞，到開展前一兩週我依舊非常擔心，不過這些疑慮在週二抵達會場看到場地設計和照明時稍稍放心來，三天下來隨著活動的升溫，我們Hardware Club參展的兩個團隊也都成功和許多供應鏈廠商，甚至是投資人建立關係。大會最後在（相信我）水準以上的Pitch Contest中結束，很為Sakura的團隊感到高興。

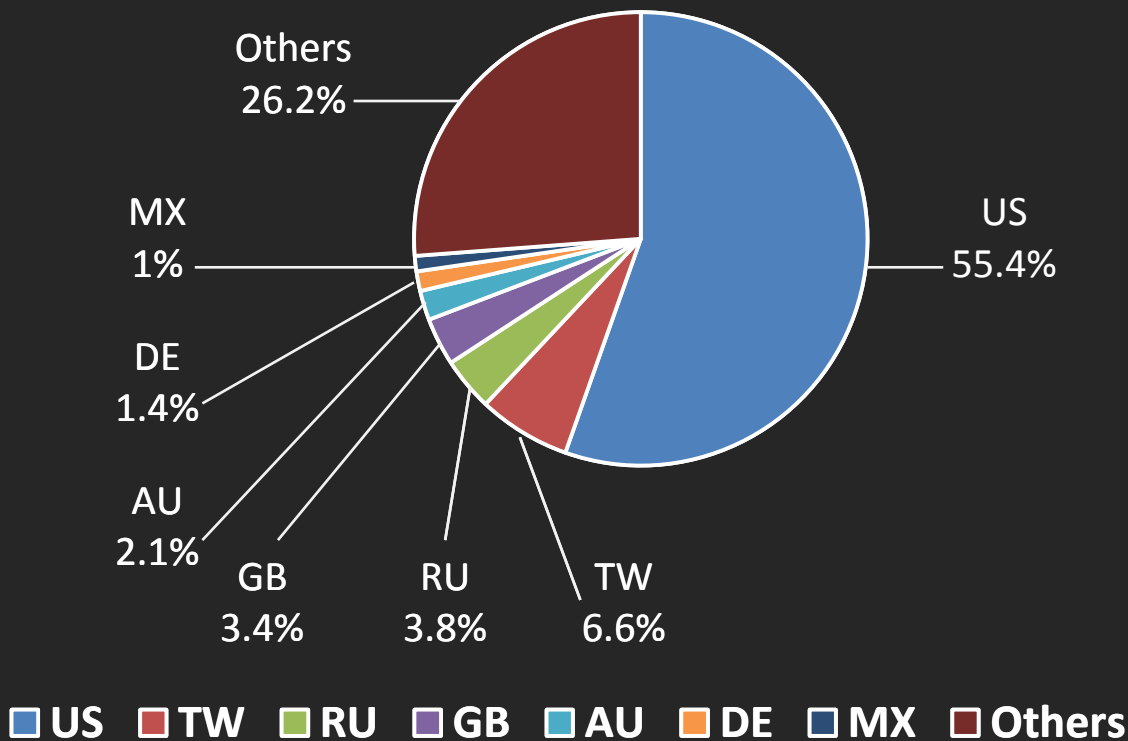

明年也請務必算上我一份，加油！
