

InnoVEX 2024 Pitch Contest Regulations

April 19, 2024

I. Purpose of InnoVEX Pitch Contest

As the best networking platform for global technology industry and startup ecosystem, InnoVEX attracts tens of thousands of domestic and foreign venture capitalists, corporates, buyers, and accelerators to participate every year. Through the Pitch Contest, the organizer expects to invite international investors to be judges and gather resources from the government and enterprises as rewards, so that outstanding startups from home and abroad will have more opportunities to make more international contacts and open up business opportunities.

II. Categories

Startups with products/solutions in the following categories may sign up for the contest:

- (1) AI
- (2) Green Tech
- (3) Healthcare & Biotech
- (4) Precision Manufacturing
- (5) Semiconductor Applications
- (6) Smart Mobility

III. Eligibility

- (1) Only InnoVEX 2024 exhibitors could participate. If the participating startups withdraw from the exhibition, they will be deemed disqualified from the contest.
- (2) The participating startups must not be founded earlier than January 1st, 2016.

IV. Entry Fee

No entry fee is required for InnoVEX 2024 exhibitors.

V. Prizes

The awards are divided into a Grand Prize, a Future Start Award, and several Special Awards. The Special Awards include cash prizes or program resources sponsored by the government and enterprises, with a total value of over \$100,000 USD. Any new additions or changes to the Special Awards will be announced on the InnoVEX official website and the regulations at any time. For the eligibility and judging criteria of the

VII. Contest Timeline (in Taiwan Standard Time, GMT+8)

(1) Registration:

From Feb 16 (Fri.) 09:00 to May 13th (Fri.) 23:59, 2024. Only online registration is allowed. Please log in to [My InnoVEX](#) and click on the button APPLY PITCH CONTEST to register.

(2) Preliminaries:

The participating startups will be evaluated and selected based on the documents and pitch video they submitted online. The results of the Preliminaries are expected to be announced on My InnoVEX on May 28 (Tue.), 2024.

(3) Finals:

The Demo Pitch and Award Ceremony will be held physically on the InnoVEX Pi Stage on June 6 (Thur.), 2024.

(4) Exclusive Matchmaking:

The Matchmaking event which is exclusive for the finalists will be held on the Pi Stage on the morning of June 7 (Fri.). The organizer will invite pitch contest judges and global investors for one-on-one matchmakings with the finalists.

VIII. Preliminaries

(1) Startups must submit **a pitch deck** and **a 90-second pitch video, both in English.**

For the pitch deck format, the PDF file must be less than 2MB in size. For the pitch video, please introduce your product/solution in English, provide the English subtitles, upload the video to YouTube or Google Drive and provide the link to the organizer. [Download the Guideline of Pitch Deck](#)

(2) The judge panel consists of local and international investors invited by the organizer. The judge panel will evaluate both the pitch deck and the pitch video submitted by each startup, and select 15 startups to advance to the Finals.

(3) Preliminaries Scoring Criteria:

Items	Description	Scores
Business Model and Market Practicality	Conduct a quantitative analysis on the target audience; specify how the product/solution is made and how it can be profitable, how does the startup demonstrate its strength when facing potential competition; and what's the business marketing strategy.	35%
Future Development	In the field of current product/services development stage, outline future specific development plans and expected extend functions.	35%
Problem Statement and Proposed Solution	Provide detailed information regarding the solution to the problem that this product/solution solves, the benefit(s) it could bring.	15%
Innovation	Why is this product/solution unique and innovative? What's the difference between this product/solution and other existing products/solutions.	15%

IX. Finals

- (1) The Finals will be held on June 6 (Thur.), 2024 on the Pi Stage in InnoVEX. All shortlisted startups are required to attend the pitch contest in person.
- (2) The judge panel consists of local and international investors invited by the organizer. Each team will be allocated 8 minutes in total for the presentation on the stage, including 5 minutes to pitch and a 3-minute answer session for the questions from the judge panel. The entire process will be conducted in English.
- (3) The shortlisted finalists should use only PowerPoint slide or Apple Keynote for the final pitch presentation. The file should be submitted to the organizer by June 3 (Mon.) at 17:00 (GMT+8). If the presentation format does not conform to the specification given and causes issues that affect judging scores, startups are solely responsible for it.

(4) Finals Scoring Criteria:

Items	Description	Scores
Business Model and Market Practicality	Conduct a quantitative analysis on the target audience; specify how the product/solution is made and how it can be profitable, how does the startup demonstrate its strength when facing potential competition; and what's the business marketing strategy.	30%
Future Development	In the field of current product/services development stage, outline future specific development plans and expected extend functions.	30%
Problem Statement and Proposed Solution	Provide detailed information regarding the solution to the problem that this product/solution solves, the benefit(s) it could bring.	15%
Innovation	Why is this product/solution unique and innovative? What's the difference between this product/solution and other existing products/solutions.	15%
Presentation Performance	Deliver the presentation clearly, confidently, and professionally with great time control, clear explanation and impressive contents; properly address the questions raised by the judges.	10%

X. Notices

- (1) Plagiarism and counterfeit are forbidden in the Pitch Contest. If reported for infringement of (include but not limited to) copyrights or patent rights, the startup is solely responsible for any legal liability. The organizer reserves the right at all time to disqualify the entries from the startups and take back all prizes and certificates which are already presented, with solid proof that (include but not limited to) materials, items, and information from the startup is plagiarized or has infringed upon copyright or against relevant laws and regulations.

- (2) Once registration is completed, it is assumed all information provided by the startup is true. If the information is incomplete, incorrect, or does not enable the organizer to get in contact with the startup, the organizer will NOT provide further notice, and the startup will be disqualified.
- (3) For non-profit promotional purposes, the participating startups agree that the organizer has the right to use the product/solution information entered by the startups, including but not limited to replication, distribution, broadcasting, screening and online promotion.
- (4) The participating startups agree that the sponsors of special awards may use startups' information provided by the organizer within the necessary scope for the selection of the pitch contest, and only within the selection period.
- (5) The prize originally awarded to the violator can be re-awarded to the runner up based on the jury's evaluation.
- (6) In accordance with Taiwan's tax laws, tax shall be withheld by the prize granting agencies for the monetary prizes/incentives granted to the winning companies. The applicable withholding rate for foreign companies is 20%. Prize winners should provide their identity document for the organizer to file taxes.
- (7) Prize winners will need to complete and send all the required documents to the organizer within 10 days after the award ceremony to claim the prize. The winner of the Startup Terrace Award needs to follow the special award regulations to claim the prize.
- (8) If the prize rewards provided by the sponsor parties is non-monetary, the organizer will connect the winner with the sponsor party to sign a MOU for the fulfillment of reward. If there are situations where the fulfillment of reward cannot be completed, the sponsor party assume all legal responsibilities independently, with no liability on the part of the organizer.
- (9) Once the startup completes their registration, they are assumed to have full knowledge of all Pitch Contest regulations and are considered willing to comply with all the rules. Should amendments occur in the regulations, please refer to announcements on the InnoVEX official website. The organizer will not provide further notifications.
